

Task: Recount of a Weekend Activity

Garageband - Podcast Creation

Task: Create a podcast with a partner that tells the story of a weekend event that one of you experienced. You will need to record both your voices, in an interview situation for part of the recording and another part must be a recount. You must use some stingers and some sound effects as you do the recount aspect.

Software: Garageband - use a podcast project:

Assessment Rubric: (you colour in the square you think you are)

	1	2	3	4
